3. This is your homepage. It shows you how much volunteering you have done so far (below left). If you scroll down the page a little further, you will find a link to our online resources pages (below right).

4. Although you can arrange your own talks and events, most volunteers sign up to events your coordinator has arranged. To see all the events available, choose 'Opportunities' (between the 'Home' and 'Schedule' tabs).

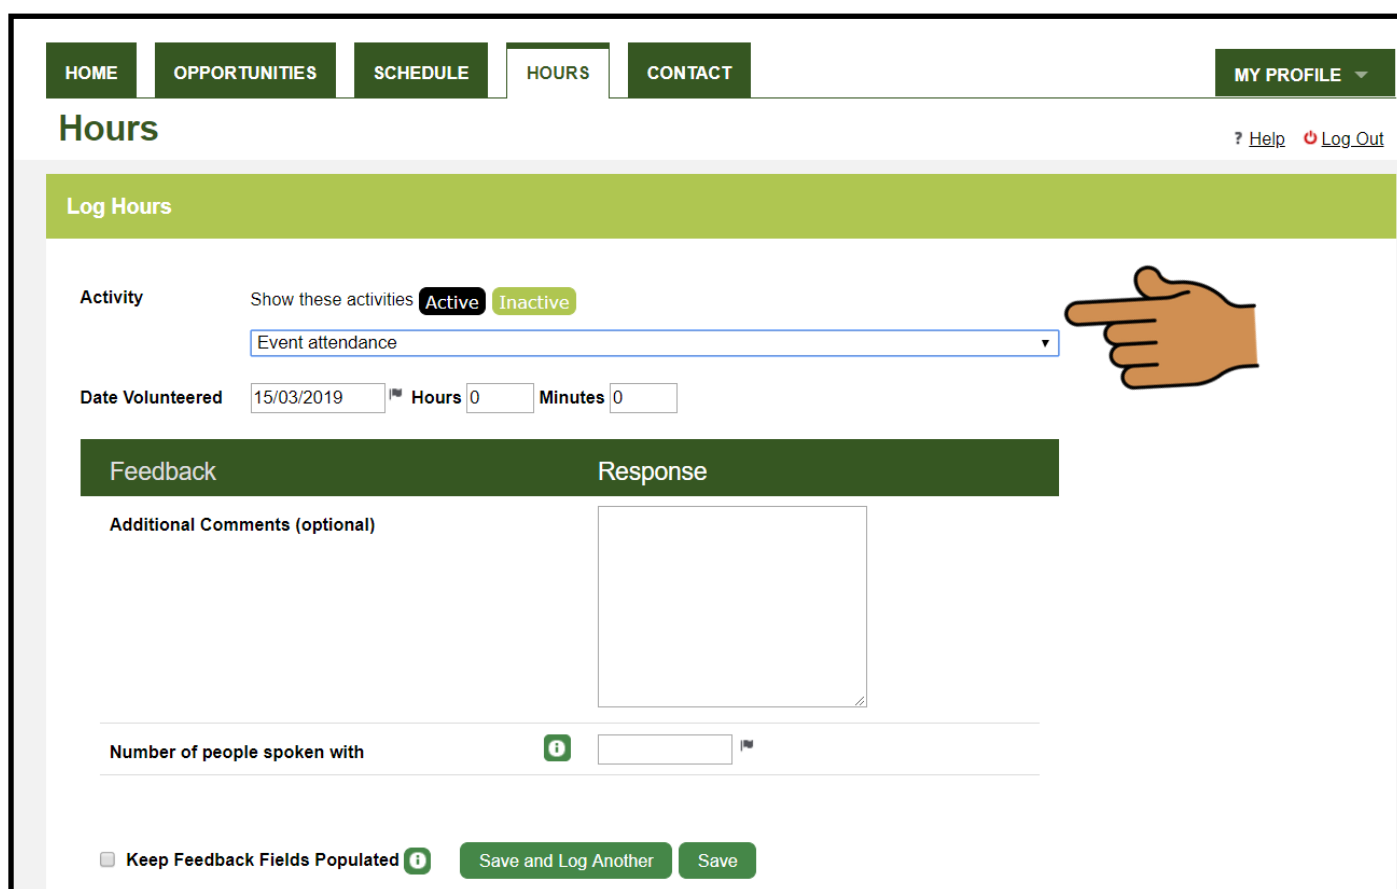

5. Scroll down the page to find the event you want to sign up to. When you have found it, click on the name of the event.
